A. K. SYED TAJ PEERAN,
Deputy Commissioner.

PROCEEDINGS OF THE 4TH ORDINARY MEETING OF THE KOLAR GOLD FIELDS SANITARY BOARD FOR THE YEAR 1927-28, HELD ON FRIDAY THE 17TH FEBRUARY 1928, AT 3-30 P.M. IN THE SANITARY BOARD OFFICE AT CHAMPION REEFS.

Members.

Present ... ... 15 | Absent 2

The following members were not present.

1. Mr. Syed Taj Peeran Sajjada, President.
2. ,, W. T. M. Pritchard, Superintendent, Mysore Gold Mining Co., Ltd.

I. GENERAL.

1. Proceedings of the 3rd Ordinary Meeting of the Board held on 23rd December 1927.

Resolution.—Confirmed.

2. Monthly returns of statistics for December 1927 and January 1928.

Resolution.—Vaccination work should be pushed through in Sanitary Board area especially when there was small-pox in the State. More revaccinations should be done.

3. List of public works sanctioned and purchases made in the months of December 1927 and January 1928.

Resolution.—Approved.

4. Statement of appointments, promotions and other disciplinary measures among the Board's staff.

Resolution.—Read and recorded. Retirement of the Sanitary Maistry Domingo approved.

II. PROPOSALS.

5. Memo No. 6538, dated 12th December 1927, from the General Secretary to Government, *re* the allocation of the cost of effecting repairs to the Dispensary building at Champion Reefs, Kolar Gold Fields, the cost thereof being met in equal shares by the Sanitary Board and Government.

Resolution.—The Government be requested to waive the share of the contribution by the Sanitary Board, as the Sanitary Board was all-along not paying this quota and also as the Sanitary Board did not come under the category of either Local Boards or Municipalities.

* * * *

IV. MISCELLANEOUS.

7. Deferred subject No. 10 of last meeting in the matter of relationship of the several Village Panchayets with the Sanitary Board and of the representation of the rural area on the Board.

Resolution.—In their letter No. L. 2855 V. P. 27-27-3, dated 22nd November 1927, Government were pleased to state that the Board's finances and those of the Village Penchayets should be separated as from 1st February 1927, and the money collected and held in deposit may be distributed to the respective Village Panchayets; that in ordinary sanitary matters, the villages would be expected to take necessary action, all measures necessary for preventing the outbreak and spread of epidemics being taken up by the Board; and that the Village Panchayets would be expected to carry out the instructions of the Sanitary Board in this respect, as has been ordered in the case of villages in District Board areas.

Dr. Stokes, Chief Medical and Sanitary Officer, Kolar Gold Fields and Dr. M. G. Sreenivasa Rao Peidpett, the Medical Officer of Health were of opinion that the strength of the present sanitary establishment was at its minimum and that it was not capable of further reduction, if the efficient sanitation on the same level, at which it was maintained hitherto, had to be kept up.

Mr. Heathcote, Superintendent, Chapmion Reefs Gold Mines of India, Ltd., and the Chairman of the Mining Board, was of opinion that as the present Sanitary Establishment had to be continued the Board, who were already paying about Rs. 5,000 more on the sanitation of these villages, than the actual income derived from these villages, whould lose even the income they were getting from these villages, so that the Board would be put to a great financial loss. Even in the resolution of the Board in their meeting of the 9th October 1925, in connection with the introduction of the Village Panchayets, to the villages under the Sanitary Beard, they had referred to this financial aspect.

Mr. O. V. Rajagopal was of opinion that the Village Panchayets might not be capable of maintaining the present state of efficiency in sanitation and that once an epidemic broke out, in any of the villages, it would spread very rapidly and would affect the mining area easily. He was also of opinion that if Government were not pleased to give over the income of these villages, to the Sanitary Board, Government might be requested to contribute to the Board all the expenditure that the Board were now incurring on account of the sanitation of these villages.

The members were of opinion that the different Village Panchayets in the Sanitary Board area might not appreciate the present sanitary establishment maintained by the Board. The Panchayets might not like to continue to keep the same scale of establishment, especially when the income from a good number of them was too small to keep up the present establishment, which was absolutely necessary to prevent the outbreak and spread of epidemics.

The Board would be put to an annual loss of about Rs. 10,000 if the income from villages was handed over to different Village Panchayets.

The Vice-President and the Medical Officer of Health should be allowed to exercise the same powers they were exercising in so far as the sanitation of these villages was concerned under the Sanitary Board Bye-laws.

Even when the Taluk Boards were in existence, the Sanitary Board villages did not come under their perview or that of the District Board.

8. Deferred subject No. 11 of last meeting regarding the demand from the Comptroller to Government for the payment of Pensionary contribution of the Sanitary staff.

Resolution.—At no time the Board have exercised the option, given to them under Art. 266 C. of the Mysore Service Regulations. Government might be requested to allow the Board to pay the pensions of the officers transferred from Government to the Sanitary Board and *vice versa* according to Rule of proportions as contemplated in Art. 266 A. and Rules in App. B. The Board are willing to pay the pensions of the Board's employees as they fall due.

9. Letter No. 479 L. A. D. dated 16th December 1927, from the Comptroller to Government, forwarding for necessary action, the notes of inspection of the Sanitary Board office by the Assistant Comptroller Mr. K. Subramanyam.

Resolution.—Deferred for the next meeting.

10. Memo, dated 28th December 1927, from the Medical Officer of Health, K. G. F. forwarding a remission list of Rs. 14 being the irrecoverable arrears of ground rent.

Resolution.—May be written off.

11. Memo No. 97, dated 31st January 1928, from the Executive Engineer, Kolar Division in the matter of alterations and additions to the Maternity Hospital at Robertsonpet.

Resolution.—The Chief Medical and Sanitary Officer, K. G. F. submitted to the Board that he went round the Hospital with the Vice-President and Medical Officer of Health. The plan forwarded by the Executive Engineeer might be approved provided the extra accommodation now shown in the plan which was not included in the original plan as approved by the Senior Surgeon with Government of Mysore, the then Acting Chief Medical and Sanitary Officer, Dr. Fitzmaurice and the President, could be given without burdening the Board with any cost. He was also of opinion, that the road to the north of the Maternity Hospital might be closed, as it was too near the Operation Theatre.

The Board approved the plan on the above condition. They had no objection to close the road.

Supplemental subjects.

12. Election of two non-official members of the Sanitary Board for the Excise Licensing Board.

Resolution.—Dr. Stokes and Mr. O. V. Rajagopal were unanimously elected.

13. Letter dated 16th instant from Mr. C. F. Heathcote, Superintendent, Champion Reef Gold Mines of India, Ltd., *re.* outbreak of plague in Kolar Town and the question of Plague precautions:—

Resolution.—The Vice-President explained to the members that Plague returns were not being received from Kolar Municipality and the different measures taken by the Executive staff of the Sanitary Board to prevent people coming from affected area into the Sanitary Board Area.

M. N. BALA RAJ URS,
Vice-President.

TUMKUR DISTRICT.

Notification No. G. C. 606—27-28, *dated 20th February* 1928.

The right to collect tolls at the toll-gates as noted in Schedule A during the period from 1st April 1928 to 30th June 1928, will be sold by public auction at the places and on the dates specified against each gate.

Intending purchasers may also apply by submitting tenders.

2. Persons intending to bid at the sale must attend in person or by a duly accredited agent. Every such person and every tenderer should deposit beforehand rupees two hundred as earnest money. The deposits of all the bidders and tenderers except the first two or three, whose bids or tenders are to be recommended for acceptance, will be returned at the close of the sale. The deposit of the successful bidder or tenderer, who will be called the contractor will be returned only on fulfilment of the contract. The deposits of the remaining bidders and tenderers, will be returned soon after the confirmation of the sale.

3. The sale will not become absolute until confirmed by the authority noted in Schedule A, who reserves the final power of refusing or accepting without assigning any reason whatever, the highest or any bid that may be offered.

4. The contractor shall within fifteen days of the receipt of intimation of confirmation of the sale in his favour, execute an agreement on a duly stamped paper binding himself and his heirs to observe the conditions hereinafter set forth and to be subject to the penalties
